## Spark Android Tech Test

for Android 4.0 or later  
by Disney

Spark is now available through Hockey App for employee testing!

Here's what to do to get Spark working on your device:

1. Adjust your Android device security settings to allow for installation of apps from unknown sources
2. Make sure you are on the Disney WLAN wifi or are logged into the Disney VPN. This build only works when you are connected to a Disney Network
3. Open this link on your preferred Android device
4. Sign in with your HUB ID
5. Tap "Send" to go to Hockey App
6. Tap on view "Spark Android Tech Test" to open app details
7. Tap on "Private Page" in the top left section under "Download & Feedback"
8. Tap "Download App"
9. Once Spark is installed on your device, open app and create a new Spark account
10. Add Friends

- Accept or “apply” to the Android Spark App invitation.
- After applying you will automatically be able to download Spark.

- After applying you will see “Spark Android Hockey App Beta” in your list of available apps.
- Tap on “View”

The screenshot shows the Spark dashboard interface. At the top, there's a navigation bar with a home icon, the name 'Daisy', and a power icon. Below this is a secondary navigation bar with tabs for 'Dashboard', 'Apps', 'Devices', 'Feedback', and 'Users'. The 'Apps' tab is selected. To the right of the tabs is a 'Timeline' link. Below the navigation bar is a search bar labeled 'Search Apps' and three view icons (funnel, grid, list). The main content area displays a table of apps. The table has columns for 'Title', 'Platform', 'Release Type', 'Last Updated', and 'Actions'. The 'Spark Android Hockeyapp Beta' app is the last entry in the list, and its 'View' button is circled in red.
